HYBRID EVENT

AFDCI INTERNATIONAL CHAPTER LAUNCH EVENT

The AFDCI International Chapter (French Society of Construction Law) is proud to announce its launch event.

We have the pleasure to invite you to join us for our inaugural event kindly hosted by Mayer Brown Paris. A hybrid format will allow attendance both in-person and virtually.

This event will signify the launch of the AFDCI French Society of Construction Law's International Chapter.

The focus of the International Chapter of the AFDCI French Society of Construction Law is to promote the study and progress of French construction law and its collaboration with other international construction organisations focusing on international construction contracts and dispute resolution forums.
