COMMISSION INTERNATIONALE

22 June 2023

18h00 à 22h00

Construction Tech & Summer Cocktails

The AFDCI is proud to present a construction tech conference discussing AI and Chat GPT and how this will impact the Construction Law industry. A topic that is rapidly becoming relevant to us all.

To celebrate another good season, the AFDCI organised a summer cocktail following the conference to network.

A marketplace will also be set up where start-ups can present their latest AI technologies.

The afterparty will take place nearby at Frog XVI, 110 bis Av. Kléber, 75016 Paris.
